**PERCEZIONI WALLPAPER**

\$190

## DESCRIPTION

The perfect solution to add a stylish pattern to a monochromatic foyer, living, or dining room, this stunning wallpaper is distinguished for its graphic geometric design that pairs easily with both traditional and contemporary decors. Painted by hand on tissue-textured paper, the abstract geometric pattern captures an intricate, repetitive pattern in tonal variations of pale-yellow and light-brown, rendered with masterful details. Please note that the price of this sophisticated decorative accent is by the square meter.
