PERCH CHAIR

\$4,330

## DESCRIPTION

Paying homage to the chic elegance and clean lines of mid-century designs, this chair is the ideal choice to complement a modern dining table or office desk to add stylish accent seating. The black American walnut frame features a subtle wingback silhouette covered externally with caramel-brown horsehair and internally in an exquisite melange, blush-pink Rubelli fabric type Almore. A thin, rose-gold metal rod handle at the top center of the backrest adds a functional detail to this chair, which will brighten any room with its tailored style.
