## PERFORATED BLACK LAVA VASE

\$1,060

### DESCRIPTION

This unique vase features a tall cylinder-like shape and a slender mouth, perfect as a centerpiece holding a single flower. The color block pattern glazing the surface of the vase is in black lava on top and bright yellow on the bottom, which has a delicate perforated design circling it all the way around. This piece can be placed in any room in the home and can be striking when arranged among other ceramic pieces by the same designer.
