PERISHED LARGE BOWL BY STUDIO JOB

\$880

DESCRIPTION

This large bowl is a superb object of functional decor that will elegantly serve food at a modern table while adding a unique and mesmerizing decorative accent. Entirely made of brass, the bowl's conical shape boasts a cut-out garland of human, ape, and turtle skeleton in a whimsical dance. Best showcased as a stand-alone accent piece on a table or to display collectible on a coffee table, this piece will make a sophisticated statement in a contemporary interior alongside other pieces from the Perished series.
