Ghidini 1961

PERISHED NAPKIN HOLDER BY STUDIO JOB

\$130

DESCRIPTION

Inspired by a visit to the Museum of Natural History, this napkin holder features a cylindrical shape on which a stunning cut-out garland of insect skeletons dances, creating a mesmerizing effect that will stand out when highlighted by the fabric of a napkin rolled inside. Entirely crafted of brass, this piece can be combined with others in the same Perished collection for a playful and sophisticated effect.
