PERLE GALACTICA ALPHA FLOOR LAMP

\$1,430

DESCRIPTION

Comprising a round base and four dainty stems rising from it, the hourglass-like metal frame with a chrome finish enhances the preciousness of this floor lamp. A sophisticated composition of bead strands in methacrylate adorns the upper part, whose stylish flair lies on the glares produced by the light of an E27 bulb that hits the beads. Stunning thanks to its handcrafted, rich silhouette, this splendid floor lamp is available with a frame in other finishes, please contact the Concierge for details.
