PERSEUS GREEN SIDE TABLE

\$5,040

DESCRIPTION

This side table is a contemporary sculpture that will make a statement in any eclectic decor, both alone or matched to the Pegasus coffee table which boasts a complimentary silhouette. Part of the Thinness Collection Matte Edition, its dynamic and unconventional geometric silhouette is crafted of 3mm-thick steel plates finished in a "Rainforest" green color. This side table is conceived in three dimensions, each face and shape changing based on the observer's point of view. Available also in Materia Oscura black, Rosso Primitivo red, Deep Space blue, Polar Ice white, Blue-Green, and Aubergine.
