PERSONAE - WHITE FACE

\$120

DESCRIPTION

Ceramic vase with simple and soft shapes finished with a glossy crystalline that makes it smooth to the touch and emphasizes the facial features. The Personae collection is a series of experiments made by redesigning and synthesizing the main features of the face. It is inspired by the portraits made with a single simple black line by Matisse and Picasso. It can be used both as a small sculpture and as a vase for flowers or plants. Hand washing is recommended.
