PESCI CUSHION

\$240

DESCRIPTION

This plush elegant cushion is part of a series of five fish cushions. On each one a pair of fish, in all different colors swim opposite each other. The assortment of colors telling of the variety of the world below the sea. In their background, the sun shines following the movement of the waves. These cushions can be perfect in any home by themselves and can also be used to decorate a bed or a sofa adding subtle touches of color.
