Argentiere Pagliai

PAIR OF PESCIOLINI TIFFANY SILVER SALT CELLARS

\$720

DESCRIPTION

This is a pair of salt cellars in sterling silver handcrafted by the famous Florentine silversmiths of Argentiere Pagliai. The silver pieces are an original model commissioned in the 1950s by Tiffany & Co to Pagliai and, thus, are perfect for both classic and contemporary tables needing a touch of glamour. Each cellar is chiseled by hand, to achieve the best possible degree of detail, and features a gold-plated cavity for salt.
