**PESO SPECIFICO WEIGHT IN CARRARA MARBLE**

\$500

## DESCRIPTION

This piece is precious Carrara marble is composed of two rings supported by a central rod, reinterpreting the iconic shape of gym weights. In its elegance, it reconnects exercising and lifting weights with the material and its tradition. Part of the Peso Specifico collection, each object looks exactly the same, but each material used informs its weight (in this case it is 6.6 pounds) and invites a different experience, more creative and in contact with nature and its diversity.
