## PETAL CHAIR BY CONSTANCE GUISETT

\$2,050

### DESCRIPTION

Designed by Constance Guisset, this elegant chair is aptly named Petal, for its delicate curves that enclose with comfort and softness. The deep backrest enhances the chair's protective embrace, creating a curve that matches one of the seats to reveal the voluptuous silhouette. This feminine design is crafted of durmast with a lacquered finish with internal chrome inserts visible under seat and back. The leather upholstery is in a vibrant, forest-green color and is also available in other woods and covers, please consult the Concierge for details.
