## PETRONA RED AND PURPLE PENDANT

\$1,590

### DESCRIPTION

Inspired by the subtle simplicity of children's educational toys, this sculptural pendant lamp elegantly diffuses a romantic light in any decor. Expertly crafted of mouth-blown glass, this abstract piece is formed by two superimposed shapes: a long orange cylinder enclosed within a suspended clear star fixture. The cylinder's red shade mixes with the star's purple hue to reveal a stunning third color. This dazzling color juxtaposition infuses whimsical allure and sophistication into the sculpture. The brass lamp holder is finished with a gunmetal patina, completing the look.
