Mingardo

PHASE WALL CLADDING

\$4,250

DESCRIPTION

Showcased at 2018 Fuorisalone event in Milan, this wall cladding exquisitely combines technological innovation with outstanding workmanship. Born of Mingardo's deep knowledge of the material and inspired by the Art Deco fabrics and decorative motifs, the bold lines in bright gold, black, light and dark blue with glossy and satin finishes combine perfectly to achieve a three-dimensional effect. Ideal to bring personality and character to a dining room or a living room, an entrance or a loft space, this refined piece will become the center of attention in any room.
