PHILIPPE CHAISE LONGUE

\$5,790

DESCRIPTION

A superb addition to a contemporary or classic home, this chaise longue is a celebration of sophisticated lounging. The wooden structure is visible in the lacquered feet that support the plush base padded with a combination of goose down and polyurethane of different densities. With a seat 43 cm-high, this comfortable and welcoming sofa is equipped with pillows (not included). It is entirely upholstered with a light gray upholstery with contrasting piping for a striking visual impact.
