PHILIPPE MEDIUM SIDEBOARD

\$10,320

DESCRIPTION

A striking object of functional decor, this sideboard will make a sophisticated statement in a modern interior, where it will add precious storage space, while also being a superb decoration in a living room, dining room, or large entryway. Equipped with four doors opening into four internal compartments separated with a shelf each, this cabinet's standout feature is its front doors, where the black glossy finish is enlivened by a central horizontal insert in Albin wood with a glossy finish. Inside, the wood is in black matte.
