PHORMA SMALL RECTANGULAR SET OF TRAYS

\$1,110

DESCRIPTION

Part of the Phorma wooden trays collection, this sophisticated set features a series of trays in walnut wood with a leather lining that fit into each other. The wood finish can be wenge or stained walnut, while the leather covering the bottom of each can be customized in color and type. The set is made up of two small rectangular pieces, two small square ones, and one large rectangular one. These trays will add an elegant touch of sophistication to any home.
