PHORMA SMALL RECTANGULAR TRAY IN WENGE

\$1,240

DESCRIPTION

Part of the Phorma series, this set of trays is a celebration of modern design and traditional artisanal techniques. The structure of each piece is in walnut wood that can be finished with a dark wenge wood (like in this case) or stained walnut. At the bottom of each tray a lining of fine leather adds a splash of color that can be customized. The set consists of two small rectangular trays, two small square trays, and one large rectangular tray.
