LIGHTING : CHANDELIERS

Il Paralume Marina

PIANOFORTE CEILING LAMP

\$9,710

DESCRIPTION

Hanging from a 100 cm steel cable, this striking chandelier is a celebration of textured surfaces and contemporary design. Its metal structure with a dark nickel finish supports a series of glass trihedrons. Inspired by the glamour of Venice in the 60s, this piece is dynamic and sophisticated and evokes the shape of a piano (hence its name), whose keys create different melodies, exactly as these various glass element will vibrate with the light coming from the 12 E14 40W bulbs.
