PIATTO SQUARE COFFEE TABLE

\$7,440

DESCRIPTION

Part of the Piatto Collection, this square coffee table is an eye-catching addition to a contemporary living room, where it will add a unique touch as the focal point of the room. It was crafted entirely of steel from a design by Sam Hecht and Kim Colin. The generous square top is supported by a diagonal blade with a striking chromed-mirror finish, creating the illusion that it rests only on the two legs at opposite corners of the piece. The top and legs have an elegant black matte finish.
