PICOS SMALL YELLOW/PURPLE SIDE TABLE BY CLAESSION KOIVISTO RUNE

\$695

DESCRIPTION

Light, colorful, and modern, this side table is part of the Picos series designed by Claesson Koivisto Rune and available in three sizes and vibrant colors. Entirely made of steel, it is composed of two flippable tops painted in glossy yellow and purple, connected by three high-gloss chromed steel rods. This versatile side table can be used in multiples to frame an unconventional coffee table, scattered around a living room to add a pop of color and functional display surface or used as a nightstand in the bedroom.
