## PIET DINING TABLE

\$5,740

### DESCRIPTION

Combining the traditional art of marquetry with the meticulous glass-overlaying method, this table celebrates the paintings of Piet Mondrian its colorful design and abstract decoration. It comprises two 8mm-thick layers of tempered glass with polished edges enclosing a 0.5mm-thick marquetry in dyed erable and toulipier wood, which is designed, laser cut, and completed by hand. Boasting a dynamic and unique personality, the L-shaped, lacquered metal legs can be assembled facing different directions. Color, size, decoration, and structure of the table are customizable.
