PIETRA L14 BLACK MARQUINA RING-LIKE TRAY

\$670

DESCRIPTION

Suitable as an artful fruit holder or tray, this ring-like design will immediately elevate any modern or rustic decor. The delicate and unpredictable lighter tracery emerging from the black background identifies the precious Marquina marble stone. It measures 42cm in diameter. A variant measuring Ø 30cm in beige-toned Crema d'Orcia is also available, please check the Artemest catalog.
