PIGALLE V2 GLASS

\$175

DESCRIPTION

Pigalle V2 is a Contemporary glass made by Italian artisans in blown sanded glass. The piece is manufactured in a limited edition of 1000 signed and progressively numbered examples. It is part of the collectible design language Pigalle that has been developed by Edizione Limitata's art research team in Milan. Revisiting the archetype of the goblet, pictured as a glass for special occasions, Pigalle was conceived, a miniature sculpture for the table. Limited edition of 1000.
