PILLOW WHITE TRAY BY JOHN PAWSON

\$220

DESCRIPTION

An exclusive design by John Pawson for Salvatori, Pillow is a shallow, square catch-all tray carved from a single piece of white Carrara marble that can be used as a vide poche in an entryway or bedroom dresser. An elegant place to collect keys and coins, or a sophisticated jewelry tray, its playful proportions and pure geometry lend a modern feel of this luxurious object of functional decor.
