\$630

DESCRIPTION

Offering a splash of color in a stylish silhouette, this round pouf will bring vintage charm to a living room corner or bedroom, where it can be used both as an occasional table or comfortable seat, thanks to the soft polyurethane padding. Crafted with sustainable and eco-friendly materials, the 25 mm-thick top of fir, pine, and poplar plywood is covered with a sophisticated powder pink polyamide velour that elegantly suits the warm golden finish of the four hairpin metal legs.
