PINK BIRDS SMALL SIDE TABLE

\$1,980

DESCRIPTION

This striking side table will add a touch of color to any room, thanks to the exquisite cover of its top depicting a series of green palms and bright red parrots. A red accent outlines the squared edges of the top that is supported by a three-legged base. This versatile piece can be used alone as a side table, nightstand, or accent table, or combined with other pieces by the same designer.
