## PINK FLOWERS AND QUARTZ NECKLACE

\$420

### DESCRIPTION

This striking necklace will add a delicate color to any attire and can easily transition from day to evening, thanks to the combination of pastel color stones and a charming silhouette. The structure is in 18k gold-plated silver, supporting a garland of tinted quartz spheres. The central decorative element is an exquisite flower painted in pink enamel with gold accents on the edges of its petals, which open to reveal a heart of white rhinestones.
