PINK MARBLE CHEESE PLATE

\$85

DESCRIPTION

The delicate nuances of pink marble, with its one-of-a-kind net of white and grey veins, will imbue any interior with sophistication. Equally suitable to add a touch of color to a monochromatic contemporary interior or to complement a pastel-colored classic decor, this round plate weighs 1.85 kg and can be used to serve cheese, or as base to permanently display collectibles. It can be showcased with the other round plates in different colors for a dramatic effect.
