PINK PALMS RUG

\$21,450

DESCRIPTION

This hand-knotted Tibetan rug mixes fine silk and premium wool to create a modern piece that will complement a contemporary decor, adding a touch of delicate color to any room. Inspired by the palm tree landscape of LA in its golden Cafe Society years, this piece exudes glamour and sophistication, thanks also to its color palette of aqua green and sage palms with their golden yellow shadow over a pale pink background. Designed for Ted Design Collection.
