PINK'S NOT DEAD TT01 PINK SIDE TABLE

\$1,150

DESCRIPTION

Part of the F4 Collection of three small tables in different sizes and heights, this wooden side table will elevate any contemporary setting with its glamorous look marked a vivid fuchsia lacquer inspired by the iconic shade associated with punk culture. The provocative chromatic vibrancy is enhanced by a sculptural silhouette whose curves pay homage to the profile of round head nails ("chiodi a testa tonda" in Italian).
