PINK'S NOT DEAD TT07 TREE HALL

\$4,190

DESCRIPTION

Provocative and glamorous, this tree hall from the F4 Collection belongs to the "Pink's Not Dead" special edition that celebrates the punk culture with its vibrant shade of pink. Incorporating a large round mirror, its fuchsia-lacquered wooden frame is distinguished by a tiered design offering a hook for objects, shelves, and storage compartments. Its dramatic curves are inspired by the aesthetic of round head nails ("chiodi a testa tonda" in Italian).
