PINKERTON BROWN LEATHER ARMCHAIR

\$15,015

DESCRIPTION

Sculpted contours outlining plump volumes distinguish this sophisticated armchair, whose exceptional tailored quality is revealed by the brown leather - removable - that fully envelops its silhouette leaving only exposed the bronze-varnished metal legs. Wide armrests (H51cm) flank the 37cm-high seat and provide excellent support thanks to the rich inner padding in velvety and non-deformable polyurethane that complements the plywood frame.
