PINNACOLI MEDIUM VASE IN RED/PINK BY LUCIANO GASPARI

\$2,180

DESCRIPTION

Designed by Luciano Gaspari and first exhibit at the Venice Biennale of 1960, this refined vase has been re-issued in three different sizes and an expanded color palette with a pink or gray base and a top, here in vivid red. Crafted of mouth-blown Murano glass, the colorful elements are enclosed in a transparent glass frame, according to the traditional "sommerso" technique. Either as a vessel for a long-stemmed flower or a striking sculptural decoration on a vanity or console, this piece will be an eye-catching addition to a contemporary interior.
