PINNACOLI MEDIUM VASE IN WHITE/GRAY BY LUCIANO
GASPARI

\$2,180

DESCRIPTION

Part of the Pinnacoli Collection, this stunning vase is crafted of mouth-blown Murano glass using the "sommerso" method, a traditional technique in which the gray base and the white elongated top are enclosed in transparent glass. This design by Luciano Gaspari was first displayed in 1960 at the Venice Biennale and is now issued with a fresh color palette available in three different sizes. A striking decorative accent in a contemporary interior, either as a vessel for long-stemmed flowers, or as a one-of-a-kind sculpture, this vase will be an intriguing addition to any room.
