PIÙ O MENO TABLE LAMP BY PAOLO ULIAN

\$910

DESCRIPTION

Named after the Italian phrase for "more or less", this table lamp is a minimalist objet d'art designed by Paolo Ulian. A game of illusions, this piece depicts a table lamp seemingly reflecting its silhouette on a similarly-shaped cut-out part of a rectangular background and is exquisitely fashioned of a 20mm-thick sheet of white marble meticulously worked with the CNC machines.
