PIZZI E MERLETTI VASE BY UGO LA PIETRA

\$1,440

DESCRIPTION

Merging sculpture and design, this handmade alabaster vase will be cherished throughout the years. Designed by Ugo La Pietra and crafted at ALI Alabastri Lavorati Italiani in Volterra, the tall cone shape rests on a conical base and is accented by a large, flat disk below the rim with an openwork design that is reminiscent of old-fashioned, handmade lace and embroidery. This vase is the ideal vessel for elegantly displaying bunches of long stemmed flowers in both classic and modern furnished decors.
