### PLACE ME SIDE TABLE IN RUSTY IRON

\$970

#### DESCRIPTION

This copper glazed ceramic baroque style table exudes luxury and sophistication. The rusty iron top creates a striking contrast with the olive green base and its sinuous acanthus leaf design. The six included ceramic parrots are equipped with magnets which allow for their individual placement on any desired location on the elegant table, adding a pop of color complementing base and top. This piece functions both as a practical item and a decorative element enhancing the decor.
