## PLATINUM JEWELRY BOX

\$1,425

### DESCRIPTION

This excellent example of masterful artisanal craftsmanship will be a precious functional object of decor, providing a useful storage place for jewelry, while also being a striking box to be displayed. The walnut wood case, which features also walnut wood hinges, is entirely covered on the outside by leather upholstery in a delicate beige color (both shade and texture can be customized). Inside, two removable trays divided in compartments offer a practical layout.
