POLPO SCULPTURE BY LORENZO PALMERI

\$130

DESCRIPTION

This unique sculpture will be a playful, one-of-a-kind addition to a bookshelf or a kid's bedroom. It was designed by Lorenzo Palmeri and features the gentle curves and iconic silhouette of an octopus. Entirely made of maple left at its natural state, the piece is enriched by the unique grain of the wood, whose gentle curves echo the ripples on its round base and add an organic accent to the surface.
