POLYGON LARGE CANDLESTICK BY CATYA CASTEL

\$320

DESCRIPTION

Transparent crystal gives the light reflecting off this candlestick a soft and elegant effect. Part of the Polygon collection by Catya Castel, this elongated design with a square base and flared top was created in 1979 and is a timeless and sophisticated addition to any home. It can be displayed in multiples along a rectangular dining table, in pair at opposite sides of a entryway console, or in a cluster with its medium and small versions to highlight a sideboard or coffee table.
