POLYPHEMUS #1 BY GLORIA DI MODICA

\$4,490

DESCRIPTION

This elegant and exotic Polyphemus evokes all the myth's brutal and instinctive strength, pulling the viewer in an emotionally disarming imagination. This gorgeous majolica sculpture is a modern interpretation of the Sicilian Moor's head which has been handcrafted with earthenware and meticulously hand-decorated with a mother-of-pearl finish and details in platinum and copper, using the traditional ceramic technique.
