POMMEL SHOE HORN WITH NICKEL FINISH

\$80

DESCRIPTION

The simple and elegant design of this shoe horn has a classic color combination, given by the black color of the beechwood and the nickel finish on the brass accents and handle. This timeless feature gives a sophisticated accent to this accessory. The handle, in ABS covered in nickel finish, is a pommel adorned with a series of sinuous ridges that give it texture and character. A wonderful gift for a lover of well-crafted objects, this shoe horn will make a statement.
