POMPITU II MEDIUM RED AND BLUE VASE BY GAETANO PESCE

\$370

DESCRIPTION

This standout vase is part of the Pompitu II series, designed by Gaetano Pesce in 1995 for the Fish Design collection. Entirely made of soft resin, it is made up of two elements: the blue body with its smooth layers creating a striking, irregular surface, and the vivid red strings wrapping around it and creating its base. This striking web adds dynamism and a contrasting color to the piece, which can be displayed alone or with others from the same series.
