PONZA BLUE AND GRAY SWIVEL ARMCHAIR

\$6,290

DESCRIPTION

An enveloping, well-proportioned shape and an elegant mix of leather and fabric define this armchair. The semicircular silhouette - a continuous line from armrests to backrest - creates an especially welcoming feel, echoed in the blue-gray velvet upholstery of the seat cushion and interior profile. Outside, the leather upholstery is in a coordinating gray color. A concealed swivel base supports this remarkable armchair that will easily fit in any interior decor, from living room, bedroom, to a private study.
