POP CLASSIQUE GREEN TABLE LAMP

\$3,210

DESCRIPTION

Inspired by Renaissance and English styles, this stunning table lamp boasts a modern, vibrant green color that makes it visually imposing in any decor. The brightly colored ceramic of its classical-inspired body is a banquet for the eyes, and its timeless elegance is combined with the innovative technology of a touch-activated light. Part of the base can be activated with a hand's touch, allowing a simple gesture to turn on and off the light or dim it. The bulb is 7W LED, 3000K and voltage is 100-240V. For other technical specifications, please contact the Concierge.
