## POP TOILE-DE-JOUY PINK AND WHITE POUF

\$2,200

### DESCRIPTION

A clever synthesis of classic and pop design influences defines this glamorous pouf, which will bring a refreshing touch to a modern living room or bedroom. A bubblegum-pink fabric envelops the rounded base, standing in neat contrast with Toile de Jouy upholstery, by Toile Society, in black and white covering the cylindrical seat. The contour between the two is emphasized by thin golden trimming. Check available color variants with the Concierge.
