PORCELAIN CONSTANTINOPLÉ 6 PLATE

\$105

### DESCRIPTION

This magnificent porcelain plate was designed by Vito Nesta and inspired by the Ottoman empire and its capital. It is part of a limited series of six plates that can be mismatched obtaining a striking effect on the dinner table. Each design is made in a limited series of 100 pieces. In this case the elegant dark blue of the background is adorned with human figurines dressed in the fashion of Constantinople, while the center is exquisitely adorned with an abstract pale blue decoration.
