Vito Nesta for Les Ottomans

PORCELAIN COSTANTINOPOLE 1 SET OF 2 DESSERT PLATES

\$135

DESCRIPTION

Part of the Constantinopoli collection, inspired by the exotic life in the capital of the Roman/Byzantine Empire, this set of two dessert plates is one of 12 designs made of porcelain. Vito Nesta's interpretation of the mesmerizing Turkish architecture and of the traditional costumes of the Sultans creates a unique decoration that features an abstract pattern in pink at the center, with a series of stunningly dressed figures over a purple background. This set will make a statement, either to serve small refreshments with tea or combining these two plates with others of the same series.
