PORCELAIN COSTANTINOPOLE 4 SET OF 2 DESSERT PLATES

\$135

DESCRIPTION

This stunning set of two dessert plates is part of the Costantinopoli collection, creating 12 distinct designs to bring on a contemporary table the fascinating and mysterious allure of the capital of the old Byzantine Empire. In this set, the center is decorated with a series of symmetric elements, inspired by details of Turkish architecture that create a mesmerizing and sophisticated abstract pattern. Around it, four peacocks and four delicate butterflies add a pop of vivid color on the muted pink of the background for a striking effect.
